

LEADERSHIP AND SELF-DECEPTION

The *Leadership and Self-Deception* book is powerful, but the Leadership and Self-Deception Learning Program is an opportunity for your team to serve your clients and fellow team members better!

Our customized facilitation of the Leadership and Self-Deception Learning Program will help your team members:

- ▶ Become Accountable
- ▶ Take Responsibility
- ▶ Make Corrections
- ▶ Acknowledge Mistakes

The program will force your team members to truly examine how their actions and attitudes affect their clients and improve communication, teamwork and trust!

Customized Learning!

Self Deception is...

Problem of not being able to see that you are the problem.

#1 obstacle to organizational effectiveness.

Reducing it may be the most important step your organization can take toward increased productivity.

People who are difficult to work with often do not realize they are the problem!
